This means that if a student has not used up all of their eligible aid for the Fall and Spring semesters, they may use the difference in the Summer semester. Typically but not always, a dependent student with at least 6 credit hours may receive the following total loan amounts yearly: Freshmen= \$5500, Sophomores= \$6500, Juniors= \$7500, and Seniors= \$7500
Independent students(and dependent students with denied parent plus loans) typically may receive an extra: Freshmen and Sophomores=\$4000, Juniors and Seniors=\$5000

** State and Institutional grants and scholarships are not available during the summer sessions.
